Personal statement Editing			
RA-11	Resapp Personal statement (PS)	\$695	<p>deffintely hurt you. When surveyed by the AAMC, program directors rate the Personal Statement as one of the top 5 influencers used in the process in choosing their candidates to interview and rank, along with step scores, letters of recommendation and MSPE. Now with the USMLE step 1 becoming pass/fail you need to have an even more robust and well written personal statement to get your interviews.</p> <p>We will help you take your initial drafts, infuse the passion you have for medicine, focus you achievements on your future goals, remove all red flags, and help you create a statement that shows who you are as a doctor.</p> <p>What we do: Reviews grammar and spelling Recommendations and explanations Editing for red flags Suggest wording for gaps, test retakes, and other difficult to discuss items 2 additional revisions subsequent to initial 5-7 business day turn around</p> <p>We do not write your personal statement for you. While this could be easier, it does not help you match into your position. Your PS needs to compliment your whole application, and is not a standalone product. It needs to come from you. We will help you express all your thoughts, guide structure, and ensure a quality PS, help cut it down or build it up, but it must start with you.</p> <p>With your draft PS and CV we will help revise your first draft with edits comments and explanations, promotping you for your next re-write. We go thorough this 2</p>
